

Legislative Summary of the Trump–Biden Peace Plan

The legislative package is based on the Preamble to the Constitution and broken into five titles for the five duties it contains. The 101 policies are listed below, but the full text can be found at AnAmericanUnion.com/trump-biden-peace-plan

Title I - *Establish Justice with police, prosecutorial, and prison reform.*

1. Train law enforcement on duty to intervene when they see excessive force.
2. Establish a public police misconduct registry.
3. Prohibit law enforcement from using deadly force except as a last resort.
4. Make chokeholds and carotid holds a federal civil rights violation.
5. Remove qualified immunity for civil rights violations by law enforcement officers.
6. Allow lawsuits against Federal agents who violate civil rights (Bivens claims).
7. Reduce the burden of proof for prosecuting violations to “knowingly” or “recklessly.”
8. Restrict use of no-knock warrants and limit forced entry to daytime hours (6am-10pm).
9. Require the President to give notice that the US will be opting out of drug war treaties.
10. Repeal the Controlled Substances Act on January 1, 2026, and end the Federal drug war.
11. Expunge completed sentences for Federal drug charges and review current ones.
12. Create an FDA framework recreational drug sales that states can opt-in to.
13. Lift the restrictions on cannabis retailers using the banking system.
14. Put a 12% retail sales tax on recreational drugs.
15. Establish a Drug War Restorative Justice Office to fund services, including treatment.
16. Strike mandatory minimums from the United States Code.
17. Reform the Espionage Act of 1917 to protect whistleblowers and journalists.
18. End the use of cash bail in Federal courts and discourage it on the state level.
19. Provide vouchers for legal services to people arrested in the US.
20. Fund that voucher system with a 12% tax on lawyers.
21. End Federal civil asset forfeiture and heavily restrict its use by States.
22. Prohibit judges’ use of acquitted conduct to enhance sentences.
23. Allow Federal prisoners to request a sentence review after serving 10 years.
24. Repeal the Prison Litigation Reform Act, which restricts judicial access for prisoners.
25. Repeal restrictions on Pell grants for incarcerated Americans.
26. Repeal incarceration incentive grants to states.
27. Ensure people leaving Federal prison have identification documents.
28. Phase out the use of for-profit prisons by the Federal government.
29. Address *Shinn v. Ramirez* and permit habeas hearings after ineffective counsel.
30. Address *Jones v. Hendrix* and restore pre-AEDPA access to habeas hearings.
31. Restrict solitary confinement to no more than 15 consecutive days, or 30 in 60.
32. Require due process before an incarcerated person could be sentenced to solitary.
33. Remove a prison’s immunity from lawsuits if they violate the new rules on solitary.
34. Prohibit prison gerrymandering (after the 2030 census.)

Title II - *Insure Domestic Tranquility with a 10-year truce on guns and abortion.*

35. Restore *Roe v. Wade* and restrict pre-viability (about 23 weeks) prohibitions on abortion.
36. Codify the Hyde amendment and prohibit Federal funds for elective abortions.
37. Amend the Comstock Act and ensure mail access to pharmaceutical options.
38. Prohibit Congress from loosening or increasing the previous three items for 10 years.
39. Establish universal background checks for gun sales.
40. Ban bump stocks.
41. Prohibit Congress from further restrictions on guns for 10 years.

Title III - *Provide for the Common Defense and shrink the military-industrial complex.*

42. Sunset the 2001 Authorization for Use of Military Force in eight months.
43. Repeal the 2002 and 1991 Authorizations for Use of Military Force for the Iraq wars.
44. Reduce the military budget by 10% each fiscal year 2026-2029.
45. Repeal the 1033 program, which transfers military surplus to police departments.
46. Close foreign military bases where local referenda show we're not welcome.
47. Codify current policy prohibiting the acquisition of landmines.
48. Cease using landmines on the Korean peninsula by 2029.
49. Direct the Secretary of State to present Congress a plan to formally end the Korean War.
50. Review current restrictions on travel to North Korea.
51. Scale back planned ICBM upgrades.
52. Require a 50% reduction in the nuclear stockpile by 2029.
53. Adopt an unconditional "no first-use" policy for nuclear weapons.
54. Restrict the use of unilateral economic sanctions against countries, such as in Cuba.
55. Prohibit development or acquisition of lethal autonomous weapons AKA killer robots.
56. Close Guantánamo Bay Military Prison in 2025.

Title IV - *Promote the General Welfare with healthcare reform and unconditional basic income.*

57. Establish a health insurance public option to de-link employment and health insurance.
58. Repeal the prohibition on exchange subsidies for people who can get insurance at work.
59. Repeal the penalties on large employers not offering health insurance.
60. Require negotiation for all Medicare part D and part B drug prices.
61. Restrict pharmacy benefit managers (PBMs) from using "spread pricing."
62. Establish 18 weeks of paid family leave at 2/3rds of regular salary.
63. Fund an additional 3,400 residency positions annually through 2030.
64. Incentivize six-year medical programs with grants to teaching schools.
65. Incentivize six-year medical programs with student access to Stafford loans.
66. Incentivize foreign doctors to work in underserved areas by reallocating wasted waivers.

67. Require the US Treasury to create free digital Treasury accounts for each American.
68. Enable account holders to transfer money in real time without banking fees.
69. Pay UBI with Treasury Dollar Bills, digital legal tender issued by the US Treasury.
70. Limit the creation of Treasury Dollar Bills to UBI payments.
71. Issue unconditional basic income (UBI) of \$16,800 for adult citizens.
72. Replace the Child Tax Credit with \$5,600 UBI for child citizens.
73. Split children's payments between parents, unless altered by agreement or court order.
74. Establish cost-of-living adjustments starting in 2026.
75. Have the Social Security Administration oversee the UBI program.
76. Don't consider UBI substantial gainful activity for the purposes of SSDI.
77. Increase the resource limit for individuals on SSI to the annual UBI amount.
78. Allow banks to link to Treasury accounts, so UBI comes through as direct deposit.
79. Authorize the US Postal Service to offer basic banking services.
80. Claw back UBI with a 12% subtraction-method value added tax (VAT).
81. Establish a 12% tax on imports to match the domestic VAT.
82. Exempt exports from the VAT, other than military weapons.
83. Establish a voluntary value sharing (VVS) program where companies pay a higher VAT.
84. Use VVS sums to pay down the national debt.
85. Reissue the VVS sums as Treasury Dollar Bills as a year-end bonus to all citizens.

Title V - *Secure the Blessings of Liberty to Ourselves and Our Posterity* by stabilizing government systems and protecting the environment.

86. Establish universal suffrage in all federal elections.
87. Protect the freedom to travel by clarifying the REAL ID Act.
88. Protect Social Security by raising the contribution cap from \$168,600 to \$420,000.
89. If Congress fails to pass a budget, make continuing resolutions automatic.
90. End showdowns over the debt ceiling (planned for early 2025) by abolishing it.
91. Address the *Loper Bright* decision and restore Chevron deference.
92. Address the *Corner Post* decision to clarify the default statute of limitations.
93. Create a path to citizenship for those brought here illegally as children (Dreamers).
94. Restore the state option to determine residency for higher education benefits.
95. Update access to the Registry program for immigrants here more than 10 years.
96. Require large employers to use an electronic employment verification system.
97. Appropriate \$19.2 billion for border security and immigration courts.
98. Institute a carbon fee at \$20/metric ton, annually increasing an inflation-adjusted \$10.
99. Establish a carbon border tax for adjustments on items entering and leaving the US.
100. Encourage plastic recycling with a 20% fee on sales of virgin plastic resin.
101. Discourage single-use plastics with a flat \$.05 fee on individual plastic products.
